

Frequently Asked Questions

What Exactly Does www.levelourleague.com Do?

It Uses Human Evaluation Of Players Skills To Create A Balanced League The Is Free Of Stacked Teams Vs Human Favoritism Of Players To Ensure Credible Outcomes.

What Does www.levelourleague.com Charge For Its Services?

Each Organization Will Pay A One Time Fee Of 34.99 And 24.99 Per League Per Season To Use The Drafting Process Up To 3 Times. An Organization Registering More Than 5 Leagues Will Pay A Discounted Fee Of 19.99 Per League. Automatic Renewal Of Subscription Will Commence At Completion Of Each Leagues End Unless Cancelled Before Hand.

How Are The Ratings Of Each Player Calculated?

Like Most Leagues, Players Ratings Should Be Calculated By League Officials Or Coaches On Evaluation And Their Averages Of Determined Skills Will Be Entered Into The System Next To The Players Name.

How Are The Teams In Each League Created From The Player Ratings?

The Organizational Manager Who Is Using The System Will Choose The Amount Of Teams And Amount Of Players On Each Team. The Draft Program Will Then Calculate Teams As Even As Possible Using The Ratings Input By The Organizational Manager. If There Are An Odd Number Of Players For Example 104 Players In The League Choosing To Have 10 Teams With 10 Players, The Remaining 4 Players Will Be Assigned To 4 Different Teams As Well And The Program Will Still Keep The Leagues As Balanced As Possible.

Why Is This Different Than A Regular Human Draft?

In My Experiences, Little League Sports Teams Are Determined And Surrounded By Favoritism, Friends, And Politics. Teams Become Much Stronger Than Others In The League And The Kids Who May Not Be As Developed Never Get The Chance To Be Properly Taught The Sport Because Many Of The Coaches Spend Their Time On A Few Chosen Players Who May Have Developed Earlier In Life. This Can Give Less Skilled Players The Chance They Need And Deserve To Be Properly Instructed On As Teams Won't Have For Example 7 Very Skilled Players And 3 Less Skilled Players So The Coach Will Only Concentrate On The Skilled Ones. These Coaches Will Now Need To Mature The Skills Of All The Players If They Want To Be Competitive In Their League.
